

Sukwinder S Bassi Appointed as the New CEO of Sikh Academies Trust

5TH JUNE 2023

Throughout the course of the last three decades, Sukwinder has assumed prominent leadership positions across the Commercial, Social Justice (Charitable), and Education sectors. His track record in curriculum development, school improvement, and the promotion of inclusive learning environments has been consistently exceptional. What sets Sukwinder apart is not only his professional expertise but also his profound commitment to the Sikh ethos and his unwavering dedication to empowering students. These qualities make him the perfect candidate to lead the Sikh Academies Trust in this exciting new phase of growth and development.

Gurminder Singh, the Chair of the Sikh Academies Trust, enthusiastically expressed his delight in welcoming Sukwinder Bassi as the new CEO. Recognising Sukwinder's extensive experience and unwavering commitment to educational excellence make him the ideal leader to navigate the Trust into its next chapter. We have full confidence placed in Sukwinder's ability to effectively integrate Sikh ethos within the educational institutions under the Trust's care. With a wealth of experience and an unwavering dedication to Sikh values, Sukwinder stands out as an exceptional leader for this role. The Trust eagerly anticipates working closely with him to continue providing outstanding education to all students within its reach.

Expressing his excitement about the appointment, Sukwinder Bassi stated:

"I am honoured and privileged to assume the position of CEO at Sikh Academies Trust. I am excited about the opportunity to work with a team of dedicated educators who are committed to delivering an exceptional educational experience to our students.

My foremost commitment is to ensure that our students not only receive a high-quality education but also have a deep understanding and appreciation of Sikh values. Together, we will create an environment that instils pride, fosters personal growth, and prepares our students to become compassionate leaders of tomorrow".
